Supplemental Loan Request

Student: _____ ID# _____

Phone # _____ Email: _____

I, _____, am requesting to apply for a new or an increase to an existing loan request in addition to the loan that has already been certified/disbursed. I would like to request a new loan for the amount of \$ _____.

I would like the new loan to be of the following loan type (if eligible):

- Subsidized** (Interest is paid by the federal government while you're in school and other deferment periods. Payments are not required while you're in school, however once your deferment period has ended you must begin making regular monthly payments).
- Unsubsidized** (Interest is NOT paid by the federal government at any time and interest begins accruing immediately. Although the interest can be deferred, interest will be "capitalized" upon entering repayment. Repayment begins six months after leaving school, dropping below half-time, or graduating).

By signing, I understand that it will take 1-2 weeks for my supplemental loan request to be processed. In addition, I understand that I may not be eligible to receive the loan amounts I have requested, due to eligibility requirements (i.e. loan limit has been reached, grade level, dependency status, subsidized/unsubsidized eligibility, etc.) and approval/eligibility is determined by the CRC Financial Aid Office.

IMPORTANT: By completing this form you are requesting a new loan or increase to an existing loan and it will be considered as a new loan by the Department of Education, National Student Loan Data System (NSLDS), and credit reporting agencies, and will be broken into two equal disbursements.
