High School to College Career Pathways Course Articulation Agreement with Cosumnes River College

Effective Dates and Renewal

An approved Articulation Agreement will become effective July 1, once all signatures have been obtained and will be in effect for two years, ending on June 30 of the second year. Once approved by the CRC Curriculum Faculty Chair, and unless the course of study or course of record changes or high school teacher changes, this articulation agreement is valid for two academic years from its effective date. After two years, a Course Articulation Renewal (if no changes to course of study or course of record) or a new Course Articulation Agreement (if course of study or course of record has changed) will need to be initiated and reviewed. The college or high school can request a course review at any time.

Additional Articulation Requirements

College credit will be granted ***only*** if the student:

1. Completes all HS/ROP course work and examination(s) with a grade of "B" or "A"
2. Completes the Los Rios Community College District Enrollment Application (www.crc.losrios.edu "Apply to CRC")
3. Provides a signed parental permission form to complete the Enrollment Application

HS teacher **MUST** submit a signed roster with grades by June (by the end of the academic year) for students to receive college credit for the course.
