What is the CDTC Educational Support Grant?

At CRC, eligible students may receive **approximately \$30 per approved unit** for coursework supporting:

- A new, renewed, or advanced Child Development Permit
- An ECE degree or certificate

To receive funding:

- Complete approved coursework with a final grade of C or better
- Meet all grant requirements
- Remain eligible through the end of the term

Funding is limited and not guaranteed.

Criteria 3 Eligibility

You must:

1. Live in California.
2. Pursue or maintain a Child Development Permit.
3. Meet the major or permit-course requirement.
4. Enroll in at least two approved core courses at CRC.
5. Take the courses during the applicable application period.
6. Include both qualifying courses on your application.
7. Complete each funded course with a final grade of C or better.

Employment and enrollment in ECE 321 are not required.

Major and Permit Requirements

You must have Early Childhood Education declared as
your major

OR

Apply only for courses required for a new or existing
Child Development Permit

**The CRC grant coordinator will verify your declared
major, enrollment dates, and final course grades.**

Approved Criteria 3 Courses

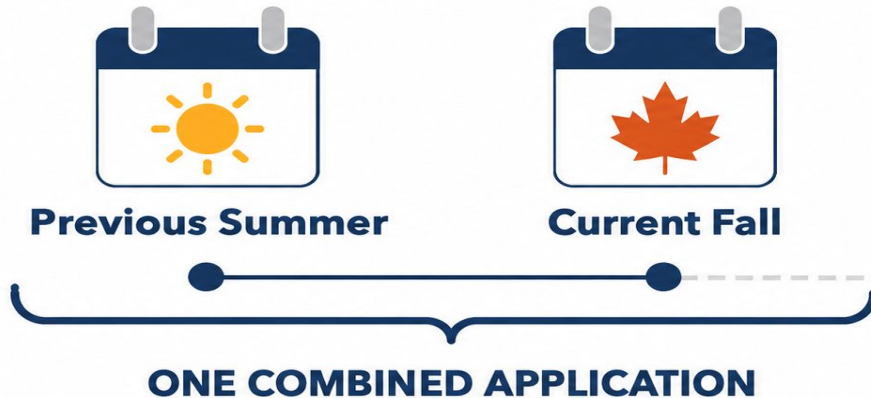

Enroll in at least two of these approved courses at CRC:

- CDEV 1000: Child Development
- ECE 300: Principles and Practices
- ECE 314: Child, Family, and Community
- ECE 320: Curriculum and Interactions
- ECE 326: Observation & Documentation
- ECE 330: Infant & Toddler Development
- ECE 331: Care and Education of Infants and Toddlers
- ECE 404: Children with Special Needs
- ECE 420: Admin I: Programs in ECE
- ECE 422: Admin II: Personnel & Leadership
- ECE 424: Adult Supervision
- ECE 415: Health, Safety, and Nutrition
- ECE 430: Culture and Diversity

Application Periods

Summer/Fall Application

- Previous Summer and current Fall
- Summer and Fall courses may be combined
- Submit one Summer and Fall application

Spring Application

- Spring is a separate application period
- Submit a new application for Spring
- Spring courses cannot be combined with Summer or Fall courses

Other ECE Courses That May Qualify (after meeting eligibility)

Additional ECE courses may count **after** you meet the two-core-course requirement:

ECE 307, 322, 342, 343, 350, 356, 361, 365, 402

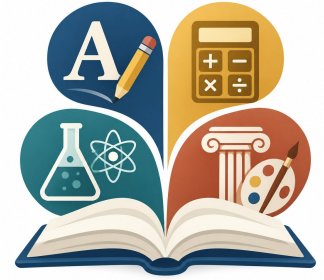

- Enter only courses in which you are currently enrolled for the applicable semester.
- The CRC grant coordinator will verify completion with final grades.

Eligible CRC General Education Courses

General education courses may qualify if required for:

- An AS/AA degree in ECE
- A Child Development Permit

For the **Teacher Permit or higher**, 16 general education units are required, including one course in each area:

- English/language arts
- Math/science
- Social science
- Humanities/fine arts

General education courses do not replace the two approved core courses required for Criteria 3.

Only courses that meet an applicable degree or permit requirement may qualify.

Courses Taken at Other Colleges

Your CRC application may include only CRC courses.

If you take courses at another college:

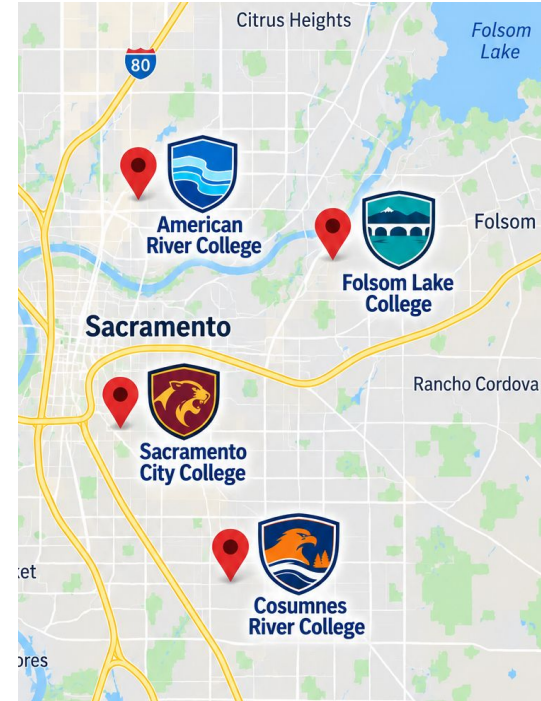

- Apply separately through that college
- Follow that college's deadline and process
- Contact that college's grant coordinator with questions

Both courses used to qualify through Criteria 3 at CRC must be CRC courses.

American River College: Janell Test starrywand@gmail.com

Folsom Lake College: CDTC Staff cdtc@yosemite.edu

Sacramento City College: Amy Strimling strimla@scc.losrios.edu
