Yes

☐

No

NOTE: If you have already borrowed for the 2024-2025 school year, you will only be able to request the difference between the annual loan limit amount and the amount you have already received this academic year. If you already received the yearly limit, you are not eligible for a Summer 2025 loan.

We strongly recommend that you borrow as little as possible at a two-year institution and/or program. Save for later!

CERTIFICATION AND SIGNATURE

By signing below, I understand that my loan request will not be processed until after my summer Pell has been awarded. I will receive a loan offer through my e-Services account. Once I have accepted the offer, my request will be certified. At this point, checklist items such as MPN and/or Entrance Counseling will be added to my Financial Aid Portal. Note: A new MPN is required for summer loans even if I have already fulfilled these requirements during the 2024-25 Award Year. Once the college electronically receives the required checklist items and as long as I have completed the required steps in a timely manner, my loan will be disbursed within 10 business days.

I understand that I may not be eligible to receive the loan I have requested, due to eligibility requirements (i.e. enrollment status, loan limit has been reached, grade level, dependency status, subsidized/unsubsidized eligibility, etc.) and approval/eligibility is determined by your college Financial Aid Office. I understand that I must maintain at least half-time enrollment in financial aid applicable units to receive the loan proceeds.
