

LOS RIOS COMMUNITY COLLEGE DISTRICT EFFORTS TO PREVENT AND ADDRESS SEX DISCRIMINATION ANNUAL REPORT

I. INTRODUCTION

Los Rios Community College District (District) consists of four campuses, including:

- American River College located at 4700 College Oak Drive, Sacramento CA 95841
- Cosumnes River College located at 8401 Center Parkway, Sacramento, CA 95823
- Folsom Lake College located at 10 College Parkway, Folsom, CA 95630
- Sacramento City College located at 3835 Freeport Boulevard, Sacramento, CA 95822

Each campus is committed to preventing and effectively responding to sexual harassment as defined by California Education Code Section 212.5. The District addresses reports and complaints of alleged sexual harassment under: Board Policy P-2424: Sexual Harassment, Board Regulations R-2423.pdf: Discrimination and Harassment Complaint Procedures, Board Regulations 2423.5: Interim Title IX Guidelines.

Pursuant to California Education Code Section 66282.1, each California Community College district is required to publish an annual report detailing specific data related to its efforts to prevent and address sex discrimination. This report includes:

- Number of sexual harassment reports and complaints received
- Actual timelines for institutional responses
- Process outcomes
- Names of any personnel who are exempt from reporting requirements

The data in this report represents the period of January 1, 2025 to June 30, 2026. Statistics reflect the status of each report or complaint as of June 30, 2026, and are separated into topical sections with each campus represented alphabetically.

II. SEXUAL HARASSMENT REPORTS AND COMPLAINTS

For purposes of this report, sexual harassment includes Title IX Sexual Harassment (quid pro quo, hostile environment, sexual assault, dating violence, domestic violence, and stalking) and sexual harassment as defined by California Education Code (which includes sexual violence, rape, sexual battery, and sexual exploitation).

A report is any report received by the District alleging sexual harassment, whether made verbally, in writing, by email, through a complaint form, or through another reporting channel, even if no official investigation has been commenced.

American River College	3	1	0
Cosumnes River College	9	3	0
Folsom Lake College	4	1	1
Sacramento City College	4	3	1

III. SEXUAL HARASSMENT COMPLAINT DISMISSAL APPEALS

The District may dismiss a Title IX sexual harassment complaint if it does not meet the requirements for investigation specified in District regulations. Both complainants and respondents may appeal a decision to dismiss a Title IX sexual harassment complaint. An appeal decision-maker for a dismissal of a sexual harassment complaint may either uphold the original dismissal decision or reinstate the complaint, thus overturning the original dismissal decision.

IV. SEXUAL HARASSMENT INVESTIGATIONS

The District fairly and objectively investigates sexual harassment complaints. If a student complainant requests confidentiality when reporting sexual harassment, or that no investigation or disciplinary action be pursued to address alleged sexual harassment, the District takes the request seriously, while at the same time considering its responsibility to provide a safe and nondiscriminatory environment for all students, including for the complainant. The District shall grant the request when possible, but if the information we have suggests we should investigate, we will. Request sfor confidentiality are not guaranteed under Title IX investigations as respondents are entitled to know who brought forth the complaint. An official investigation commences upon notice of the investigation to all involved parties. Data included in the following Figure does not account for formal complaints resolved prior to the completion of a final investigative report.

Figure 3. Length of Time to Commence an Official Investigation After Complaint Received

Cosumnes River College	0	0	3	0	0	0	0
Folsom Lake College	0	1	0	0	0	0	0
Sacramento City College	2	0	2	0	0	0	0

Investigations involve interviews with the parties and any relevant witnesses, as well as collecting any additional available relevant evidence. Upon completion of the investigation, investigators compile a final investigative report. An investigation is complete upon

finalization of the investigative report. Factors that contribute to the length of an investigation include, but are not limited to, party and witness availability and responsiveness, number of parties and witnesses, allegation complexity, and concurrent law enforcement or other agency investigations.
